

WHAT IS THE COLLEGE HILL NEIGHBORHOOD ASSOCIATION?

The Association consists of all residents within the geographical boundaries of Central to the north, Hillside to the west, Kellogg to the south and Oliver to the east.

- Residents are encouraged to pay the annual dues which go toward communications, subsidizing events, and other Association expenses.
- The leadership of the Association consists of an Executive Board (President, Vice-President, Secretary and Treasurer). There are also committees that serve specific interests of the Association such as Park, Pool, Crime, Membership, and Events. The Executive Board meets before the General Meetings to discuss the Agenda, and meets as needed for special concerns of the Neighborhood.
- We have four General Meetings per year and special interim meetings as necessary.
- We will mail out announcements of meetings and events, and send e-mails to those who have given us their e-mail information. Meetings and events will also be announced on Facebook and the Website.
- We welcome residents to become involved through volunteering to head a committee or serve on a committee depending on your interests. Many of our volunteers help with our special events as needed.
- We have an interactive website that lists contact information of all Board members, offers a comprehensive overview of the neighborhood, and provides information about events.
- We offer website link advertising to any businesses that would like to make themselves known to our residents.
- We welcome opinions, ideas, and any input from our residents regarding any topic of general interest to the neighborhood. This input can be submitted through the website or personal contact with any Board Member.
- The Association sponsors four traditional annual activities held in the Neighborhood including, the Holiday Trolley Tour, the Historic/Architectural/Garden Tour, the Easter Egg Hunt in the Park, and the Family Fun Fair. There are many other fun and interesting events that happen within our environs but are not sponsored by the Association.
- College Hill Neighborhood Association is an all-volunteer organization designed to promote community and preserve the Neighborhood's unique historic character.
